

It's Report Card Bonus Time!

If there's a student in your family who is a member of Postal Family Credit Union, (between Kindergarten age and 18) who has received a great report card from school, we have a special bonus in store for him or her.

We will reward our young members with a special bonus of \$1.00 for each "A" (up to a maximum of 10 subjects) he or she earns on his or her end of the year report card. This is our way of letting your child know that we believe working hard in school is a very important part in his or her future success.

Here's how to get your child's Good Grades Bonus:

- The child must be the primary member of the account to qualify.
- Photocopy your child's end of year report card (the report card that indicates the student is being promoted to the next grade).
- As a parent or guardian, sign the copy as your guarantee that the copy is a true and valid duplicate of the original with no alterations.
- Write the child's member number on the report card copy.
- Mail or bring the copy to PFCU no later than August 17, 2018. Please do not send the child's original report card to the credit union.

If your youngster is not yet a primary member of the PFCU and you want them to participate in this incentive program this would be a good time to have them become a member. They will then be able to enjoy the many benefits of being a member of Postal Family Credit Union.

Junior High & High School Students

The Credit Union is offering junior high and high school students the chance to double their money for every "A" received in their classes. Students can now make \$2.00 for every "A" they earn for their courses. In order to qualify for the double-bonus, students must take and pass our "Money Smart Teens" online course. Students that take the online course must receive 8 out of 10 correct answers in order to pass.

With the completion of this course students will gain a better understanding of personal finances, such as checking accounts, credit cards and financial goals. At Postal Family Credit Union we encourage our young members to be educated and aware in order to make the best financial decisions in their lives.

To take the "Money Smart Teens" online course please complete the following steps:

1. Visit our website, www.urmycu.com
2. Mouse over the "Financial Education" link
3. Click on the "MoneyEd" link
4. Click on the "Start Now" link located in the Money Smart Teens area.
5. You will then review all of the course information and take the online exam.
6. Once you have completed the exam the Credit Union will be notified you have taken the exam.
7. Print off your online exam score page and submit with your report card.
8. Deadline is August 17, 2018

**Best Wishes
Class of 2018!**
