

## Low-Cost Safe Deposit Boxes at PFCU

Safe deposit boxes are a good place to keep any personal items that would cause you to say, "If I lose this, I am in deep trouble!" Protect your important things with a safe deposit box at the Credit Union - once that heirloom jewelry, stamp collection, or family photo is lost or stolen, it's too late.

What items should go into a safe deposit box? Important papers such as originals of your insurance policies; family records such as birth, marriage, and death certificates; original deeds, titles, mortgages, leases and other contracts; stocks, bonds and certificates of deposit (CDs). Other valuables include special jewels, medals, rare stamps and other collectibles, negatives for irreplaceable photos, and videos or pictures of your home's contents for insurance purposes (in case of theft or damage).

It is usually recommended that when you open a safe deposit box that you give someone else access to the box, this person is called a deputy. You can have one deputy or multiple deputies. This person(s) will have access to the safe deposit box with or without you. Also, don't put original copies of legal documents in a safe deposit box if they will be needed by anyone who cannot gain access to these documents. You can always put "copies" of legal documents in the safe deposit box.

Start protecting your important items today and open a safe deposit box at the Credit Union. There is a refundable key deposit. See the box sizes and pricing below:
