

If you're in the market for new wheels, the Postal Family Credit Union can help you drive away with a better rate – even if the dealer appears to be offering an awesome deal. That's because this old adage applies: "What the big print promises, the little print taketh away." The splashy headline doesn't tell the whole story. "Not all buyers will qualify" means the advertised interest rate is available only to those with pristine credit. If you have any blemishes on your credit, you'll likely pay a higher rate. "Available on select models" means the deal is valid for only a few vehicles – ones that may not meet your needs. Plus, with a pre-approved loan from the credit union you are in a much better bargaining position because you can shop like a cash buyer, getting the vehicle you want to buy, not the one the dealer wants to sell you. So before you set foot on the lot, contact the PFCU so we can put you in the driver's seat.

Adopt A Class FOUNDATION

The Cincinnati office of PFCU has again adopted classes at Oyler Elementary School for Christmas. We are now taking donations at our office. When you visit the office, just watch for the jars that have "Can you spare some change" written on them. We are also selling all types of small teddy bears; profit will go into our Christmas Fund. We are hoping to again make this an extra special Christmas for the children. Last year we had great participation from our members. We hope we can expect the same this year, without your help we could not make it happen. Watch future newsletters for additional details.

Holiday Help Is Here

You've made your list. Checked it twice. Maybe even three times. But your list of holiday expenses is still too long. Here's help - a Holiday Loan from PFCU. A Holiday Loan may actually save you money. Instead of paying the high interest rates on your department store charge cards or other credit cards, you can shop with the cash from your low-rate credit union loan. Money management experts agree that people who pay with cash spend less than those who pay with a credit card.

So let's review that list again. Consider giving gifts to children, but have the grown-ups draw names or exchange "white elephant" gifts instead. Host a brunch instead of dinner to save on entertainment expenses. Check out the "do-it-yourself" boards on Pinterest for decorating ideas that cost less. Then call on Postal Family Credit Union to apply for a Holiday Loan. With our low interest rates, you're likely to spend less - making it one of the best holiday seasons ever.

Invite Your Family To Join Ours

The holidays are just around the corner. Here's a gift that can last a lifetime: membership in the Postal Family Credit Union. Because you belong to the credit union, your family members also are eligible to join. They, too, can enjoy all of the benefits of belonging: lower rates on loans, competitive rates on savings, convenient access to their accounts, and best of all, being treated like a person, not a number.

In satisfaction survey after survey, consumers consistently rate credit unions higher than other financial institutions. With a gift of credit union membership, one size really does fit all and no worries about the long line at the return and exchange counter. Membership in PFCU makes an ideal baby shower or christening gift as well. What better way to show your love and affection than starting a little one out on the road to financial security?
